THE BIG DAY

Relax and enjoy every second of your day, knowing you are in expert hands.

We used the Clubhouse at Kempton Park for our reception and it was truly amazing from start to finish. The room was big enough to hold our 110 day guests comfortably without having to shift tables to accommodate the extra 60 that joined us for the evening celebrations. The food was magnificent.

SARAH AND MARK

From start to finish my day was magical! The suite was beautiful and the food was better than I could of hoped for. We were looked after from start to finish and of course the view and grounds were the show stopper. I now have the most amazing photos! I would recommend Kempton Park and would like to point out that it is not as expensive as you think racecourses are!
